These trails are located near the Marsh Branch Boat Ramp and White Oak Boat-In Campground on Laurel River Lake. Laurel River Lake is located on London Ranger District and features 5,600 acres of clear, deep water and nearly 200 miles of tree-lined shore. Visitors can enjoy boating, swimming, fishing and camping in the great outdoors.

The U.S. Forest Service administers the lake and surrounding shoreline. The U.S. Army Corps of Engineers (Nashville District) oversees the operation of the lake's dam and nearby recreation facilities, including a picnic area and a swimming beach at the spillway.

Cold Rock School Trail #430 is the hiking and biking route into White Oak Boat-In Campground. The trail leaves the parking lot at the gate and follows the gravel road for about 200 yards before entering the woods on a footpath to the left. After entering the campground, the trail follows a gravel road in several places as it winds past the campsites. White diamonds mark the route.

Nearby Facilities: White Oak Boat-In Campground is one of two boat-in campgrounds on Laurel River Lake. It is accessible by boat or by a foot trail which begins near Marsh Branch boat ramp.

Laurel River Lake. The 5,600 acre lake, located in Laurel and Whitley counties was impounded in 1979 by the U.S. Army Corps of Engineers. It is located near the cities of London and Corbin. Laurel River Lake is a favorite destination for thousands of visitors each year. The quiet coves and cliff-lined shores offer relaxation and quiet reflection, as well as boating, fishing, skiing and scuba diving in one of the deepest and cleanest lakes in Kentucky.

Fishing for black bass, rainbow trout, walleye, crappie, blue gill and catfish is excellent. Night fishing for trout is also popular during the summer months.

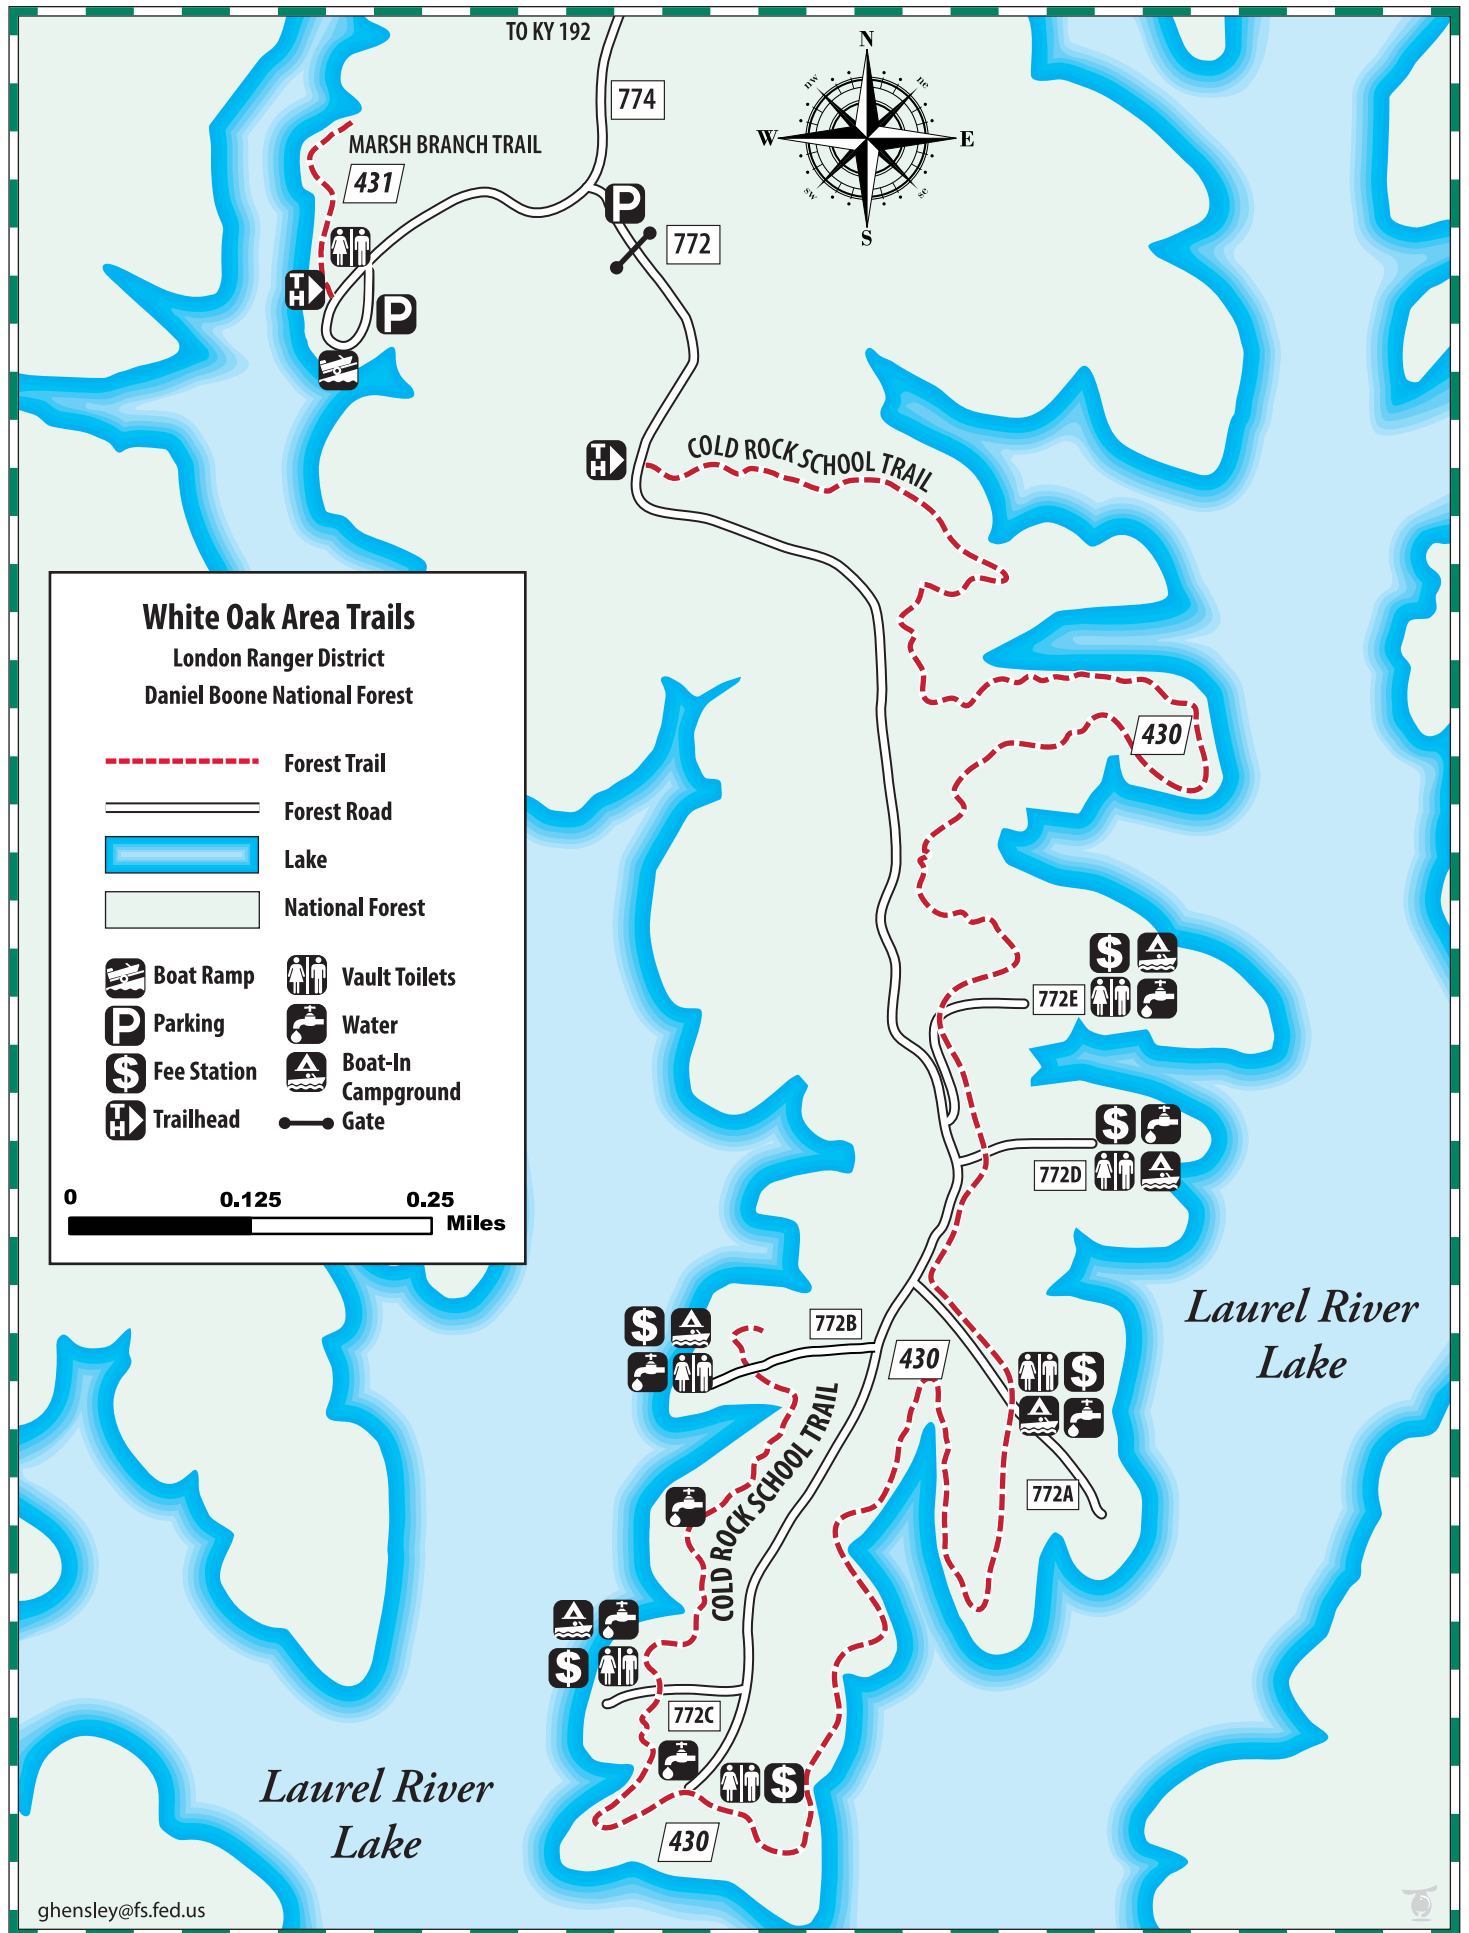

Boating opportunities are provided by seven launch ramps located conveniently around the lake. The quiet bays and backwaters of the lake are excellent locations for wildlife viewing. The lake has a resident population of giant Canadian geese, and is home to wintering bald eagles.
